Principal's Corner

Dear Sangudo Families:

The year's end always brings with it a great sense of accomplishment, and so very many things have been accomplished this year. From the Terry Fox Run - way back in September, which seems so long ago now, to our farewell to the Grade 9 class - our students have been involved in an extraordinary number of activities and learning opportunities. As another successful year draws to a close, it never ceases to amaze me how much has been achieved by the children, staff, community and parents over the course of the year. The achievements extend from the academic, to sports and the creative arts, as well as to the numerous fun and fundraising exploits of our Parent Association. We achieve so much and are able to provide many opportunities to students because we work together as a team. This is one of the greatest strengths of our school.

To our grade 9 students, I would like to say Congratulations!! As you move on to new adventures remember to dream big, live each day with a sense of wonder, marvel at the simple joys, be ready for the scary things that pop up along the way and dare to imagine a better you every day. The staff are so very proud of all of your accomplishments and the wonderful young people that you have become. Of course they are also proud of the role they have played in getting you there. We wish you great success as you move on to the high school and hope you stop by Sangudo and visit often.

Thank you to parents, School Council and PASS for making my first year a pleasant experience. Thanks for your endless contributions and dedicating a great deal of time to provide beneficial activities, programs and events to our school. Without your support and dedication we would not be able to have such remarkable and successful school activities, including but not limited to, hot lunches, school fundraisers, volunteering in the classroom and for extracurricular activities, staff appreciation lunch, Christmas dinner, and sewing class. I am grateful for your endless support and look forward to next year.

I would also like to thank the staff for making my first year here an incredible one. Thank you for the amazing work you do. The endless hours you spend preparing, planning, working with students or in the office, exemplify your professionalism, diligence, self-motivation, and dedication. It is a source of inspiration and very greatly appreciated.

Please enjoy the change of pace that the summer brings. We look forward to seeing everyone upon our return for the 2017-2018 school year. The first day back for students is Tuesday September, 5 and our meet the teacher evening will be on Thursday September, 21. The School Council AGM, and first PASS meeting will be on Wednesday September 27. To view the school calendar, bell schedule and school supply lists please visit us online at <http://sangudoschool.ca/>. Should you need to contact the school over the summer you can email me at jo-ann.mclaren@ngps.ca.

Have a happy, relaxing, and safe summer!

Prom was well attended with over 60 students from SCS and surrounding schools enjoying the music played by Mr. Moon. Thank you to all who supervised, helped with concession and helped with set up and decorating.

My Favourite Thing We Did this Year

My favourite part of the year was reading BFG. together as a class.

- Faith

My favorite thing this year was when we went skating.

- Kiefer

One of my favourite things I did was when I went to the “Hide and Seek Indoor Playground”

- Shaeden

I really liked gym.

- Zia

My favourite part of the year was math. There was “180 Days of Math” and “At Work on My Own”, “Math with Someone” and “Hands on Manipulative” activities.

- Jalynn

I had fun and really liked going to “Hide and Seek” playground.

- Rebecca

If I had to choose something, I liked going swimming.

- Valeria

My favourite part I did was walking to the classroom and meeting our teacher because she was the sweetest teacher ever. I loved doing “Buddy Writing”.

- Sincerely Dayne

I loved when we made bridges work. We could only use wood, hot glue guns, and popsicle sticks. We worked in four groups with three kids. It was lots of fun.

- Jaxson

Thank you Ms. Myrol for teaching us everything. Gym was one of my favourite things.

- Love Addyson

My favourite thing is the field trip to “Hide and Seek”. It was fun.

- Damian

My favourite thing was going to the Hillbillie’s play.

- Rozin

I liked dissecting the owl pellets and finding bones in them.

- Haiden

The best thing I did this year was helping Ms. Myrol.

- Parker
