DECEMBER

2017

Principal's Corner

Northern Gateway
Public Schools

December has been a busy month filled with fun activities and lots of learning. We had the art club come in and share their talents with our students, Stever Harmer was here with his Brilliant and Resilient Magic Show, we had Tacky Sweater Day and the boys and girls volleyball teams took on the staff. We narrowly beat the boys and were narrowly beat by the girls. Staff was a bit stiff and sore the next day though the students did not have the same complaints.

We had our Jolly Jingle shop and it was a huge success. I am sure you will all enjoy the gifts and the love and thought that went into the purchase. Our Christmas concert was a celebration of many days of hard work and dedication, made possible by collaboration of staff, students and parents, all pitching in and working together. It was a wonderful performance enjoyed by all. The bake sale and craft sale were magnificently successful and the money raised will be donated to the Stollery Children's Hospital. We wish to extend a heartfelt thank you to parents for all of the support you provide.

The staff and students are looking forward to a delicious Christmas lunch today. We would like to thank PASS and all parent volunteers for all of the preparation that goes into cooking a meal like this for so many people. You do an amazing job and are very generous in offering your time.

As we approach the end of the year, we can look back with pride on all the accomplishments of staff and students in the 3 short months of school so far. Student learning is always at the centre of all we do and we will begin once again on Monday January 8th.

I hope you all enjoy the holiday break and your hearts are warmed by time spent with loved ones this holiday season.

Merry Christmas and
Happy New Year
Jo-Ann

School Skating

Please note that the SCS students will be going skating at the Sangudo Arena in the New Year. Students will be required to wear skates, helmets and appropriate clothing. We do have a limited number of pairs of skates and a few helmets for students to borrow .
