Big thank you to parents and staff for dealing with the adversities of this COVID year. There was a school viability assessment done by an outside consultant. The board did not take his recommendation which was to close Sangudo Community School. More information has to be gathered before a definitive decision can be made. The decision will be extrapolated from points such as: Population/ enrollment, Utilization of the space, cost per child, Health and safety of environment. The board would also like to hear from the parents and staff regarding this matter. Please ALL current board trustees at ngps. If you would like further information, please go to NGPS online and read topics 15 & 16.</p>
