Principal's Welcome

Another exciting year has started at SCS and I would like to welcome everyone back to our great learning location. The school looks wonderful, the hallways and classrooms are bright and colourful, classes are off to an excellent start, several extra-curricular activities are already underway and new friends are being made. A number of new students have come into the school while two new staff members have joined us. Mrs. Jen Erickson will be teaching Kindergarten while Mr. Mike Tavaroli will cover Jr. High Social and some L.A.

The first School Council meeting of the year will take place on Sept. 21 at 5:00 pm. New members are welcome to join and we hope to see you there. This is your chance to play a part in advising us on the direction we head in this year and to keep abreast of what is going on in our school.

Class Visits

Instructional time for students is always at a premium and any disturbance once a class has started can disrupt the smooth flow of the teacher's lesson. This is especially true in the younger grades where any unexpected visitor brings about a great deal of excitement - which is often time consuming even after the visitor has left. Parents should therefore stop by the office upon arrival, sign in, and speak to myself or Mrs. Werenka before heading to a classroom. If it is an important matter we can call your child to the office. Teachers will not be called out of class but an appointment can easily be arranged.

We're on the Web!

Calendar 5

Northern Gateway
Public Schools

It is a common practice for parents to go on offsite activities with their child. This may involve riding the bus or driving yourself to the location. Whatever the case, please remember that the teacher is in charge of the students during the activity. All decisions or directions must come from the teacher and the students must follow them. Parents are not to redirect students, even their own. This only leads to confusion which can result in injury and to frustration which could impact future outings. Your cooperation in this will be greatly appreciated.

EXTRA TWO DAYS OFF—
Due to the length of our school day, Sangudo will receive an additional 2 days off. They will be Oct 30/15 and Apr 22/16.

P.A.S.S.

The Parent Association of the Sangudo Storm will be having there first meeting on **SEPTEMBER 21, 2015 at 5:00 pm** at the school.

Babysitting is available, please call Rene at the school to let her know if you would like to use this service and we can book enough babysitters.

School Calendar

Sangudo Community School has again been given two extra days off in response to concerns about the length of our school day. These are Oct. 30 and April 22. In light of this change the bell schedule had to be adjusted in order to insure that students received the correct number of instructional hours. All calendars and schedules can be found on the school website or picked up in the office.
