Message from Principal Pfannmuller

Happy June!

It is hard to believe that June is here already! The weather has been beautiful and students have been enjoying outside physical education! Please note that with only four weeks of the school year remaining, it is critical for students to attend school regularly. Classes will finish covering crucial curriculum components during these final few weeks as well as doing important review work.

There is an extensive list of activities planned for June at Sangudo Community School generously sponsored by PASS:

- June 1, 2021: all students and staff enjoyed an individual milk and flavoured straw for World Milk Day;
- June 8, 2021: all classes will have the opportunity to participate in the Fitset Ninja Warrior Course;
- June 17, 2021: Crazy Hat Day
- June 22, 2021: all classes will participate in Ryan's Mini-Putt Golf;
- June 2021: all classes will go on a walking field trip to Deep Creek Camping and Events for ice cream;
- An outdoor classroom (pop-up tent) is available for all classes to enjoy for some outside learning time.
- June 28, 2021: Last day for Students

We are so pleased to be back to in-person learning for the last few weeks of the 2020-2021 school year. Please review our website and follow us on social media to stay up to date with the coming events and activities.

In education,
Principal Sherry Pfannmuller

Fitset Ninja Warrior!

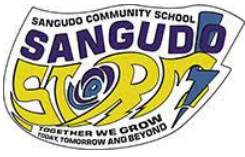

June 8th is the day that the Fitset Ninja Warrior Course will be assembled at the Sangudo Community School for students to enjoy!
Thank you to PASS for sponsoring this event.
We are sure it will be amazing!!!

Mini Putt Golf

Another great experience for our students provided by our wonderful PASS group! Students will enjoy a game of Mini Golf on June 22!

Census 2021

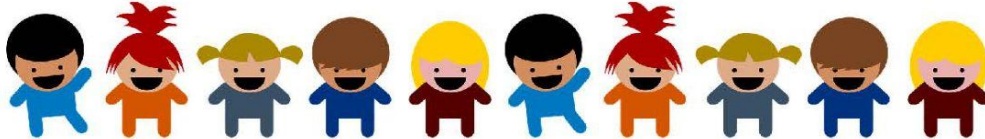

You may have heard that the 2021 Census is underway. It has been a challenging year for families, and the census might seem like another thing on your busy to-do list. However, I would like to encourage you to complete your census, if you haven't already done so. Census data helps governments at all levels plan for schools, transportation, community centres, libraries and recreational activities. Data from the 2021 Census will be even more crucial, because it will help to evaluate the impact of the pandemic and to better plan for the future. You can quickly and easily complete your census questionnaire at www.census.gc.ca using the access code you received in the mail. If you need assistance, or would like to have a paper (or alternate format) questionnaire, please call the Census Help Line at 1-855-340-2021. Thank you for doing your part to help plan for a better future for all Canadians.
