Message from Principal Pfannmuller

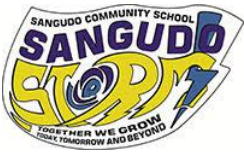

I cannot believe that it is the end of the 2020-2021 school year! It has been more than a full year since our schools began adapting to the challenges of delivering education in the context of a pandemic. We have had an eventful year with all of the uncertainties surrounding Covid-19: transitioning in and out of at-home learning to in-person learning; planning, preparing and implementing measures to make sure our school was Covid-protected, and aligned with the provincial health measures; and the care and caution exercised each and every day to ensure Sangudo Community School provided a safe learning environment to students and staff throughout this health crisis. Individually and as a team, the Sangudo Community Staff have provided premium service in safe and caring classrooms and our school. Covid has highlighted the important role that our school plays in our community. It has touched each and every member of the SCS family and we have joined together to rise and meet the challenges we faced. I want to express my appreciation for the incredible support and resilience shown throughout this pandemic.

Should parents need to contact me, please feel free to email me at sherry.pfannmuller@ngps.ca. Staff will return to work on Monday, August 30, 2021, and we will be busy getting ready for the return of students on Wednesday, September 1, 2021. Please review our website and follow us on social media to stay up to date with the coming events as we approach the school start-up date.

I would like to wish everyone a well-deserved restful summer break. I look forward to seeing everyone back here in September with renewed energy for the 2021-2022 school year.

In education,
Principal Sherry Pfannmuller
