## Message from the Principal

Wow! Time sure flies by quickly, hard to believe we are finished two months of school. October was a busy month for students and staff at SCS. Earlier this month we had a bus load of runners invade Whitecourt for the cross country run and they all had a great time. Both the boys and girls volleyball teams have been busy playing and practicing all month long. They will be attending zone playdowns on November 5. A special thanks to all the young athletes and coaches who represent our school so well.

October also saw parent teacher interviews, school pictures, jersey day and the start of our hot lunch program. Subway from Entwistle and chicken fingers from the Trading Post were October's specials. November 9th will be pizza from Sing's Restaurant.

The annual Halloween parade was today and it was great to see so many awesome costumes! Have fun and be safe when trick or treating on Sunday. Make sure you check facebook or the school website to see the class videos of the children parading in their costumes.

Staff also worked on literacy during their October PD as we had a literacy consultant lead our teachers in a day of learning in order for them to enhance and improve their capacity in that area. It is nice to see our staff continue to be lifelong learners and work on their craft.

Upcoming in November we will having our virtual Remembrance Day ceremony on the 9th and we will be asking all students and staff to wear red and black that day. A reminder that there will be no school from Nov 10-15. There will be a staff PD day on the 10th, 11th is Remembrance Day, a day in lieu on the 12th and our Sangudo Day on Monday the 15th. Classes will resume on November 16th.

As most of us have noticed the days are becoming colder and we would like to remind parents to ensure children have appropriate attire for both outside play and the bus rides. Feel free to send extra mittens or gloves as the young ones often get theirs very wet during their play times outside. I'm looking forward to the next two months as we continue on our 2021-22 journey.

As always feel free to send an email or phone if you have any questions or concerns regarding your child's education here at SCS.
