Message from the Principal

We have had another very busy month at SCS!

Once again I would like to remind parents and guardians that the school day at Sangudo Community School begins at 8:35 am with classes starting at 8:45. As there is no outside nor inside supervision prior to 8:35 am, parents are asked to not drop off your child(ren) before 8:35 am. Mr. Tavaroli will be outside by 8:35 am to supervise students as they are dropped off either by parents or bus. If students arrive early, they will be asked to wait outside (if the weather is nice) or in the boot room. Thank you in advance for respecting the Sangudo Community School bell schedule.

The students are once again going to enjoy the greenhouse that was built by The Parent Association of the Sangudo Storm (PASS). We are all so excited to get the opportunity to grow our own vegetables in the greenhouse again this year! Students will all be planting vegetables and the plants will be transferred to the greenhouse once it is a little warmer! PASS had also purchased a pop-up tent for classes to use as a sun shade during outdoor classes. We cannot wait for the weather to warm up so we can start having some classes outside.

All students and staff enjoyed an amazing Easter dinner on April 14, 2022 courtesy of PASS. Students also participated in an Easter hunt that day! Thank you PASS for all that you do to support our students and school!

Several students performed virtually in the Whitecourt Rotary Music Festival during the month of April. Students were given the opportunity to perform individual speech arts for the festival. Mrs. Vanderwolf's Grade 4/5 Ukulele Ensemble performed a song in the School String Ensemble Class of the festival as well. Students will receive their certificates and adjudications in the near future. Congratulations to all performers and a huge thank you to all staff who helped students prepare for this experience in the arts!

April 27, 2022 marked the last day for Language Arts teachers to work with literacy consultant, Cheryl Gascoyne, to continue to develop their capacity as literacy teachers. Teachers met with her individually and in pairs to discuss an area of focus such as struggling writers, word choice in narrative writing, and the new language arts curriculum.

It is hard to believe that there are only two months left in this school year. I encourage students to continue to work hard as we push through these last few weeks of learning. Please continue to feel welcome to contact me for any questions or concerns.

Happy Spring!

Principal Sherry Pfanmuller

**Just a reminder, as the weather gets warmer, students are welcome to bring and apply their own sunscreen and/or bug spray for their personal use.

Sangudo Storm Sports Report

A big congratulations to all the athletes who represented Sangudo at the GCAA badminton tournament that took place in Whitecourt on April 25. The badminton team consisted of 20 athletes; 7 students in the Junior division, 6 students in the Intermediate division, and 7 students in the Senior division. The athletes dedicated countless lunch hours practicing for the tournament. It was a great effort by all athletes. The Storm battled hard against eight other schools in the district. Congratulations to Zia for taking home silver in the Junior Girls Singles division.

Lemonade Day!®

NORTHERN ALBERTA

What is Lemonade Day?

Lemonade Day is an event that teaches kids the skills they need to be successful in life. Kids learn to set goals, develop a business plan, establish a budget, seek investors, provide customer service, save for the future, and give back to the community. Lemonade Day Northern Alberta is the perfect opportunity for our community to get engaged, demonstrate enthusiasm, and show kids they care - as well as train the next generation of entrepreneurs through a free, fun, engaging, and empowering activity.

When is it?

Lemonade Day Northern Alberta will take place on Saturday, June 18, 2022*.

*CFYE is following guidance and guidelines implemented by Canada Public Health and Alberta Health. Adjustments will be made to the program as required. The safety of our kids, parents, staff and communities is our top priority.

Who can participate?

Youth of all ages, pre-K through high school, can register to set up an official Lemonade Day stand. Registration will commence on March 1, 2022 and will close June 1, 2022. In addition, community support from schools, youth organizations, and local businesses is essential to the success of Lemonade Day Northern Alberta.

How does it work?

Once a child is registered, they receive an informational app or workbook that outlines the steps needed to start a business: setting a goal, creating a business plan, forming a budget, finding an investor, saving money, and donating a portion back to their community.

Resources For Success

APP OR WORKBOOKS These fun and informative materials include easy to follow lessons to help you create, build, and run a successful business AND for mentors to help make their child's Lemonade Day a huge success!

TRAINING SESSION Join us for the Kids + Mentor Training Sessions and get 1-on-1 training from Community Futures Yellowhead East.

YOUTUBE Lookup "Lemonade Day" on YouTube where there is a collection of great videos for training and ideas.

Community Cleanup

On May 13th, at 1:00 pm our students will cleaning up our community! It may be a good idea for students to wear work appropriate clothing. As well, a hat, gloves, appropriate footwear, a water bottle, bug spray and sunscreen are a good idea. Our grade 1 to 5 students will clean up around the school yard and our grade 6 to 9 students will be cleaning up around town. If you would like to volunteer to supervise our grade 6 to 9 students around town, please contact the school.

Thank you for helping make our Community look fantastic!
