Message from the Principal

As we are approaching winter break, I would like to thank students, staff, and parents for contributing to the Sangudo Community School. Despite having many absences due to illnesses and being put on the Outbreak List by AHS, we have had an outstanding first term with many opportunities for our students to demonstrate their amazing talents and learning. Thank you to all of the staff who continue to adjust their teaching and learning during this time and being flexible as we navigate through learning in these times. Illness rates have decreased significantly the last couple of weeks and it is wonderful to see a better rate of student attendance.

Sangudo Community School students and staff are once again participating in the annual food drive organized by SANG (Ste. Anne Natural Gas) *Stuff A Truck*. *Large gift boxes will be placed in each classroom for students to place their food items over the next couple of weeks. All food collected will be donated to the local food bank. In these times where many families are struggling and accessing the food bank, this is an excellent opportunity for us to give back to our community. If you are able to make a donation, please send it with your child to school. Thank you in advance for your generosity!*

Mrs. Hagman has been working with the grade six through nine students on plays, and Mrs. Vanderwolf and Ms. Pfannmuller have been working on musical presentations with the kindergarten through grade five students for the annual Christmas concert. The production will be on December 20, 2022 at 1:00 pm with the students watching the performance and again at 7:00 pm for parents and families. Should you be unable to attend the evening performance, please feel free to join us during the 1:00 pm performance. More information will be coming to families soon regarding the Christmas concert.

We have all been enjoying this extremely mild fall. It appears as though these mild temperatures are ending as we enter into the month of December. Please make sure your child has proper outdoor wear (ski pants, winter coats, toques, and mitts) so that they can safely go outside and enjoy their recess play time.

As always, I am always open to communication from our parents and community members. Please call or email me if you have something to discuss.

I hope this newsletter finds you all well and in good health.

Principal Sherry Pfannmuller

Stuff-a-Truck EVENT

Partnering with **Mayerthorpe Community Food Bank**, **WEE Community Food Bank** and **Lac Ste. Anne East Food Bank**.

Ste. Anne Natural Gas would like to once again encourage kids in our local communities to participate in our third annual **Stuff-a-Truck Food Drive** to help benefit local food banks. Collect non perishable items, toys, and cash donations in your classroom until **December 22nd** and you may have a chance to win a lunch party courtesy of SANG!

SCS Storm Sports Report

We had an outstanding volleyball season, both teams worked so hard and showed a lot of improvement. They boys were able to go to the GCAA finals and played hard in their game. Some of the girls were able to go to the Fair Play Tournament in Whitecourt where they fought hard and came in 4th place. They were awarded the sportsmanship banner. It was a great season and we can't wait for next year!
