DECEMBER

2022

## Message from the Principal

As we are approaching winter break, I would like to thank students, staff, and parents for contributing to the Sangudo Community School that we are all so proud to be part of. We have had an outstanding first term with many opportunities for our students to demonstrate their amazing talents and passions. Thank you to all of the staff who have made these opportunities possible.

Jolly Jingle Shop was a favorite activity for students. We were so happy for students to be able to participate in this traditional SCS activity! The shop provided the students of SCS an opportunity to participate in a Christmas shop for their loved ones. Thank you to the wonderful parent volunteers who volunteered their time to purchase gifts, price items, help students to shop and wrap gifts for students to take home. It was truly successful and we appreciate our parent volunteers. Thank you!

Breakfast continues to be offered daily to students. When possible we attempt to offer either a hot option or a special item like a muffin once per week. At times due to the circumstances of the week (for example staff illnesses or a conflicting event), this is unable to happen. Breakfast is still offered to all students every day. Thank you to the staff who volunteer to make the breakfast program a success!

Mathematics teachers have been working with the Learning Services Coordinator, Mrs. Meagen Vesely to continue to develop their capacity as mathematics teachers. Mrs. Vesely has provided resources and lessons to teachers and the intervention educational assistant, to assist in planning specifically for their classes and students.

The annual Christmas concert was once again practiced through the month of December. Mrs. Hagman and Mrs. Kerr worked diligently with the grade six through nine students to polish several skits for the performance. Mrs. Vanderwolf and Ms. Pfannmuller practiced musical pieces with the kindergarten through grade five students. We were very disappointed to not be able to have our Christmas concert and play due to the extreme cold weather in December but we look forward to the performance scheduled for January 10, 2023 at 10:00 am.

As 2022 draws to a close, I reflect upon all that we accomplished this fall. I continue to be in awe of the flexibility of our students, parents. I am confident that our team will continue to provide a happy and fun environment where our students flourish and receive a high quality education.

Please take time to enjoy the simple things and time with your loved ones over the break. May the Christmas holiday provide you with time for rest and relaxation, bundles of family fun, lots of fine food and Christmas merriment, and time with your loved ones and friends.

Best wishes to all families for the upcoming holidays and I look forward to everyone's return in the new year on Monday, January 9, 2023!

Merry Christmas and Happy Holidays  
Principal Pfannmuller

We would like to send out a huge thank you to all the amazing parent volunteers who made the Jolly Jingle Shop a smashing success! Your support is always greatly appreciated.

## Christmas Concert

As the Christmas Concert was canceled in December due to extreme cold weather, there will be one showing on the production on Tuesday, January 10, 2023 at 10:00 am.

## Thank you FCSS & Recreation Facility & Program Assistance

SCS would like to thank Lac Ste. Anne County for their support in 2022. Their FCSS allocations were earmarked for the SCS Play School Program. They also provided a Recreation Facility & Program Assistance Grant that assisted with costs for our Athletic program. Without these funds we would not be able to provide such worthwhile programming.
