Message from the Principal

February was a fast month! We have had some extreme weather conditions this month from very cold to very warm!

Math teachers are continuing to work with the Learning Services Coordinator, Mrs. Meagen Vesely, to continue to develop their capacity as math teachers. Several days are set aside for teams of teachers of same or similar grades levels in Northern Gateway Public Schools to gain their expertise in the area of numeracy.

On February 22, 2023, students and staff participated in the annual Pink Shirt Day. The school was a sea of pink as shirts, hats and accessories! Students engaged in a variety of activities all coordinated, organized and run by the junior high students. It was wonderful to watch our junior high leaders in action! Students were divided into teams of multi-grades to enjoy the fun! Be Kind, Always.

The students and staff have been enjoying some planned hot lunches including a free turkey soup day! Thank you to all of the volunteers who have made this possible for the students and staff of SCS!

There was lots of excitement at SCS on February 28, 2023. The grades 4 to 9 students traveled by bus to enjoy Hockey Hooky at Rogers Place. The kindergarten to grade 3 students enjoyed a magical performance by Brian Lehr. Thank you to PASS for providing sponsorship for these fun events!

Parent-Teacher Conferences have been scheduled for March 15 and 16, 2023 from 3:45-6:45 pm. Conferences will be held in the same format as the fall, either in person, using a virtual platform or a telephone call as per parent preference. Please call Mrs. Werenka at (780)785-3431 to schedule an appointment. The Scholastic Book Fair will also run during interview times for any families wishing to purchase books.

Students were extremely excited to have the opportunity to go skating at the Sangudo Arena in February many times in their physical education classes as well as hockey option. The Physical Education curriculum was in motion as students developed their skating skills while enjoying a program emphasizing on active living, with a focus on physical activity that is valued and integrated into daily life. A huge thank you to PASS and the Sangudo Ag Society for providing the opportunity for our students to enjoy skating again this year!

February has been another busy month! Please continue to feel welcome to contact me for any questions or concerns.

Stay safe and warmest regards,
Principal Sherry Pfannmuller
