Message from the Principal

Wow, what a month filled with so many emotions here at SCS! I am so excited and honored to be able to announce that I will be assuming Principal duties for the remainder of the 2022-2023 school year. I look forward to developing strong working relationships with all parents, students, and community members. All of us at SCS would like to wish Ms. Pfannmuller success in her future endeavors. My heart was filled with pride as I watched our School and Community rally together in full force to advocate for our students.

Parent/teacher conferences were completed last week. If you were unable to set up a conference time with your child's teacher last week, please contact the teacher to set up an alternative date and time. All teachers' emails are on our website for your easy access. Please continue to access PowerSchool Parent Portal, to see updated assessment information for your child.

Several students participated in the Whitecourt Rotary Music Festival and we were so excited to attend live for the first time. Mrs. Vanderwolf's Grade 4/5 Ukulele Ensemble performed a song in the School String Ensemble Class of the festival. We are proud of all of our students who represented our school so well.

Kindergarten and PlaySchool registration will be held April 4 from 3:45 - 5:00 pm. Starting next year, the PlaySchool will be operated through Sangudo Children's Academy and Daycare. If you or anyone you know has a child who will attend Kindergarten next year, please have them contact the school as soon as possible.

It is hard to believe that there are only three months left in this school year. Please feel welcome to contact me for any questions or concerns. I wish everyone a wonderful spring break and I look forward to everyone returning rested and ready for learning on April 3, 2023!
