# Eye of the Storm

October 31, 2023

## Mike's Message

It is hard to believe that two months of the school year have already passed! We have had a busy start to the school year. The month of October started with our Student Council organizing "Dress as your Teacher Day" which was a big hit. The students were treated to an excellent performance of Cinderella by the Alberta Musical Theatre Company which was generously paid for by our Parent Association. On October 26 students in grades kindergarten through six participated in presentations by Lac Ste Anne County Fire about fire prevention and safety. Students even got to go inside a fire truck and spray the fire hose! The Sangudo Community Foundation Fire Department then provided a wonderful BBQ lunch for all students and staff. Thank you to all! Both our senior and junior girls volleyball teams have been doing wonderful and are winding up their season. A special thanks to Mrs. Erickson, Miss. Smith and Becky Hull who have been spending so much time at practices and games to help our girls develop their skills. A Halloween parade will be held on October 31 in the afternoon. All classes will have the chance to watch the classroom parades of their school peers. Parents and guests are invited in to enjoy the parade. We look forward to seeing all of the creative costumes! Parent teacher conferences are scheduled for November 7 and 8. Please call the school to set up a meeting time with your child(ren)'s teachers. The Scholastic Book Fair will run the week of November 20-24th. If you are able to volunteer to help with the book fair, please contact the school. As we enter into the winter months, please ensure your children are properly dressed for outside play time as well as bus rides. In some cases, you may wish to send more than one pair of mittens or gloves for your child for the day as they often get quite wet during the recess breaks. I look forward to the next quarter of learning with our students. Please feel free to reach out to me should you have any questions or concerns about your child's education.

Mike Tavaroli  
Principal

# Makerspace

In makerspace this month, we have been working on coding, & Teamwork challenges like building a bridge with noodles!

# French

## K-6

We have been working on learning our colours and describing objects.

### 7-9

We have been working conjugating -er verbs in the present tense!

aimer	manger	jouer	chanter	gôter
	travailler	arriver	écouter	
	laver	fermer	danser	
			écouter

Month of: October

## A note from the teacher:

Happy November,  
We have had a very busy month and the students are deep into their learning. Students have written several unit tests, completed projects, and various assignments. Be sure to check out PowerSchool to stay updated on your child's mark and see if they have any incomplete work.

Mr. Tavaroli

Miss Duplessie

## Upcoming

## Options

Students are having so much fun in their Option classes. The group of girls in Cosmetology are experimenting with different hair tools and doing each other's make-up. In Foods, they have made tacos and pasta which were enjoyed by all. The aromas that came out of the Foods Room were sure to make everyone hungry. Lastly, there is a group of students crafting away on individual projects. Students are thinking about creating some crafts to sell closer to Christmas.

## What's happening:

Wow! Such a busy month we have had! In the classroom we have been so busy working on letter sounds in both grades. Grade one is now forming words and then changing out first, middle and last sounds to make new words! We are all counting to 100 and we have just begun counting by 2,5, and 10- Kinders are joining in even though they don't have to know this yet and they are doing great! In Science, we have just finished our unit on Scientific Investigations and we are excited to start learning about ENERGY!

We have been welcoming Miss Lundstom into our class for some time now- she is our School Wellness Coach. She is helping us to understand our feelings and emotions through stories, discussions and fun activities!

There has been all kinds of fun things happening in the school as well! We enjoyed a production of Cinderella by the Alberta Musical Theatre Company. We dressed like our teacher. We enjoyed a pizza hot lunch. We had a fantastic fire safety presentation sponsored by the Friends of the Sangudo Library and the Sangudo Ag Society. Then the Firemen came with the fire truck and fed us a BBQ lunch. We end our month with lots of fun Halloween activities. I can't wait to see what we do next Month!

Mrs. Zanbak and the great and wonderful Kindergarten/ Grade One Class!

Miss Lundstrom

Dress like your Teacher Day

# Grade 4

We have been having a blast in grade 4 in October! We have kicked off our home reading program and have been doing amazing with our math units!

## Important Class Info:

Home Reading books returned - Monday  
Home reading books sent home - Tuesday  
Library Day - Wednesday

**\*\*Remember to ensure winter clothes are packed or worn as it the temperature is dropping quickly!!\*\***

## NEWS

OCTOBER 2023

Sangudo Community School had a fantastic day at the annual Gr 1-9

St Joseph School Invitational GCAA Cross-Country Run Sept 27th.

Our School has participated in this running event for 9 years! The weather was beautiful and our students had a blast. Congrats to all of our amazing athletes.

## CROSS-COUNTRY RUNNING

Special Shout out to our Elementary Runners  
Violet Hall 3rd place in Gr 4 Girls Div.  
Marcus Reid 3rd place in Gr 3 Boys Div

Special shout out to Annabelle Haresnape for her 1st place win in the GCAA Sr. div.  
Christian Johnson for his 1st place win in the GCAA INTER div.

## ZONES in Slave Lake

On Wednesday Oct 18th, SCS had two of our amazing runners participate in the Jr High Cross-Country Zones Event at the Devonshire beach trails in Slave Lake. We are so proud of our athletes! Great work Annabelle and Christian

## JR GIRLS

# VOLLEYBALL

Our Sr. Girls team has been playing in the GCAA League. League Finals are next week! Zones will be on Nov 3 in Hinton! Good Luck Ladies, we are so proud of you!

We have attended Tournaments in Onoway and will be attending the Halloween Howler in Mayerthorpe this weekend!

## SR GIRLS

# October Classroom News

## This Month In 5th & 6th!

Students have had a very busy month full of finishing up units in all subject areas, completing projects, and assessments. The grade five and six students completed math units on Patterns and Algebra and are well into their Number Sense unit on addition and subtraction of whole numbers, while the grade six students will take it one step further by also investigating integers. In English Language Arts, students finished reading and writing about personal narratives. Students are exploring a variety of descriptive stories through mentor texts to prepare for writing their own descriptive stories. They are now working on descriptive writing by planning, organizing, and working with a variety of descriptive vocabulary to create a Spooky Halloween story.

Students were also assessed and assigned a level of word work to fit their needs. Students will work with their word lists for two weeks to assist with building their vocabulary and discovering spelling patterns in similar words. As a class, we have also been working on a new vocabulary word of the week by learning the spelling of it, part of speech, definition and using it in a variety of sentences and within the class.

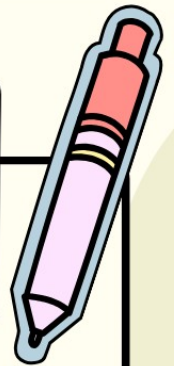

## Current Science & Social Studies Units

### SCIENCE:

- Grade 5: Wetlands
- Grade 6: Trees & Forest

### SOCIAL STUDIES:

- Grade 5: Regions of Canada
- Grade 6: Citizens Participating in Decision-Making (Democracy)

# PASS & SSC

October was a very busy month! We completed first fundraiser of the year - Little Caesars which was an excellent turn out. We raised just over \$1000 for field trips this year!

## BAKING DAY!

A few of parents got together in October and made a FREEZER Full of goodies for the breakfast program! Muffins & Uncrustables.

sangudostormpass@gmail.com

In November, we will be partnering with West End Meals on Wheels for the hot lunch programs! There will be LOTS of variety.

November 16 - Spaghetti or Chicken Veggie Soup

November 30 - Taco in a Bag or Beef Barley Soup

## HOT LUNCH PROGRAM

There are TONS of opportunities to Volunteer - stay in touch through our facebook page or join our remind group!
