Eye of the Storm

May 30, 2024

Mike's Message

We are in the home stretch! May was a busy month at SCS.

Staff were treated to a great appreciation lunch on behalf of our wonderful Parent Association.

At the volunteer tea our students and staff were able to show our thanks to all the volunteers who help make our school community so awesome.

We also had the Hats on for Mental Health, Hot Lunch Days, Kindergarten to Grade 3 Field Trip to Telus World of Science and Decades Theme Day in May.

Junior High students attended the GCAA Track Meet and were busy all month preparing for the Drama Production that took place on May 30.

As we head into the final month of the year the school will be filled with lots of year end fun and celebration.

As always our older students will be busy preparing for final and PAT Exams.

As always remember that you can reach out to myself if you have any questions or concerns by phone or email.

We just realized
why this month is
called MAY.
As in, it may rain,
it may snow,
it may be hot,
it may be cold!

Class news

May was a very busy month, students were excited for the long weekend and extra excited to go to the Telus World of Science! We also dressed up through the decades and have been enjoying time outside. We will be adding some new "pets" to our classroom soon!

What we're learning

Math

Grade 2 and 3's will be working on time, shapes and data collection for the last few weeks of school!

Science

We are wrapping up our Earth Systems and will be finishing with Living Systems.

Social

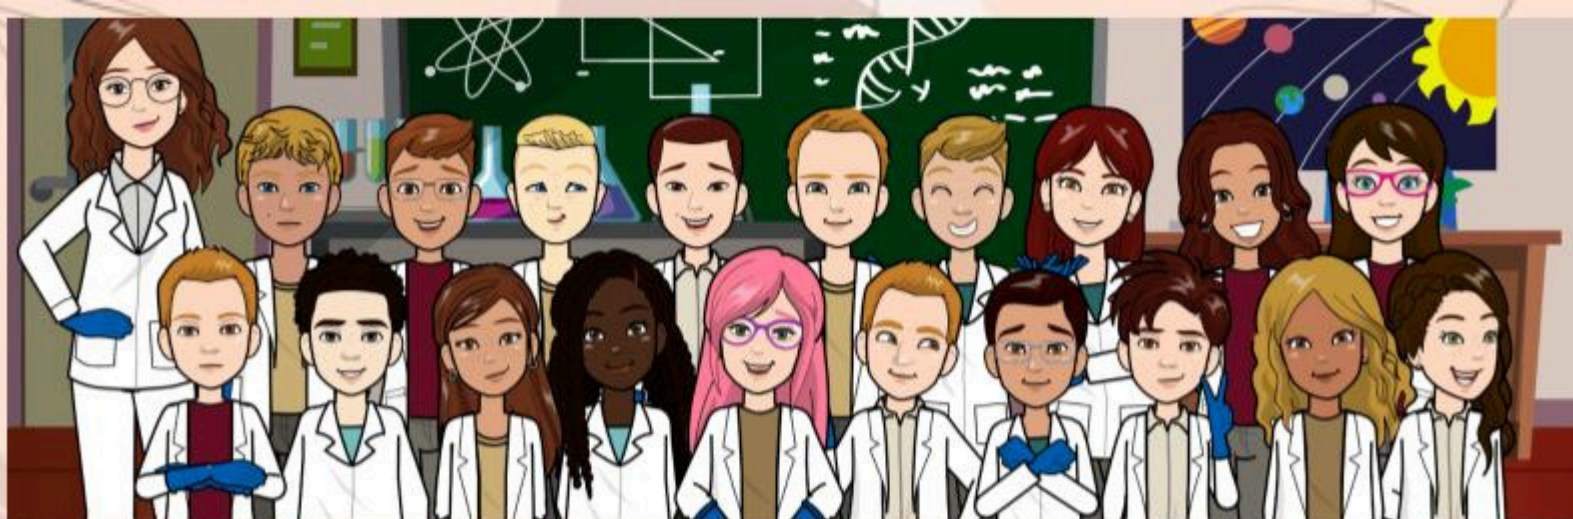

Gr. 2- Saskatoon Gr. 3 - creating a presentation on one of the countries we have learned about.

LA

Students will be continuing spelling for the next few weeks as well as poetry.

Reminders

Keep reading, practicing spelling and playing math games with your child.

Grade 4

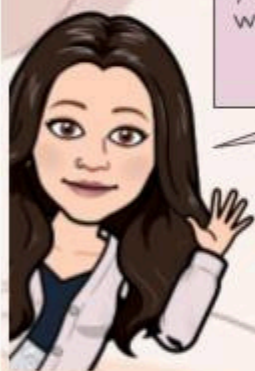

Only one month left for the 2023-2024 school year! We have had so much fun this year. For the last few weeks, I am hoping to get outside as much as possible so ensure your child has appropriate clothing for the weather :)

May 2024

WOW, what a month it has been! This past month students have been working on several different projects to finish up units in all subject areas. In language arts, students have chosen a research topic to research and then write a 5 paragraph essay. In math, we have almost completed all units and will be working on financial literacy to wrap up. The grade 6 students will begin reviewing for PATs in all core subjects at the beginning of June. In science, the grade 5s have been building electrical circuits and the grade 6s have been building and testing airplanes.

Reminders:

Field Trip permission forms are due back Wednesday, June 5th for the upcoming field trip on June 7th to Fort Edmonton Park!

Jr. High News

This month in Junior High

Grade 8/9 students had a presentation from the Wellspring Center all about Healthy relationships. All of the students who attended learned some very valuable information. The grade 7 students got to join in with the k-6 to watch the Leduc School Band Perform. We are starting to wrap up all of the units and will be starting to review for Final Exams. Students spent a lot of time preparing for the Drama Production. Grade 9 parents please email Miss Duplessie 5 pictures for the farewell video.

Reminders:

Students should be starting to review for final exams in June. We will be sending home a Field Trip Form soon for students to attend the Junior High Field Trip.
