Eye of the Storm

October 31, 2024

Mike's Message

It is hard to believe that two months of the school year have already passed! We have had a busy start to the school year. The past month saw our students have their annual bus safety presentations and swimming at Barrhead. Grade 6 and 9 students had their immunizations. Our volleyball teams attended the Onoway tournament and Halloween Howler tournament in Mayerthorpe last weekend. A special thanks to Mrs. Erickson and Mrs. Reid who have been spending so much time at practices and games to help our athletes develop their skills.

On October 29 students in grades kindergarten through six participated in presentations by Lac Ste Anne County Fire about fire prevention and safety. Students even got to go inside a fire truck and spray the fire hose! The Sangudo Community Foundation Fire Department then provided a wonderful BBQ lunch for all students and staff. Thank you to all!

A Halloween parade will be held on October 31 in the afternoon. All classes will have the chance to watch the classroom parades of their school peers. Parents and guests are invited in to enjoy the parade. We look forward to seeing all of the creative costumes!

Parent teacher conferences are scheduled for November 20 and 21. Please call the school to set up a meeting time with your child(ren)'s teachers.

The Scholastic Book Fair will run the week of November 18th-22nd. If you are able to volunteer to help with the book fair, please contact the school.

As we enter into the winter months, please ensure your children are properly dressed for outside play time as well as bus rides. In some cases, you may wish to send more than one pair of mittens or gloves for your child for the day as they often get quite wet during the recess breaks.

I look forward to the next quarter of learning with our students.

Please feel free to reach out to me should you have any questions or concerns about your child's education.

Kindergarten

What a fantastic October we had! We had lots of visits from community workers and we learned about Bus and Fire safety!

We are halfway through our alphabet letter sounds and the kids are doing great! We are also getting very good at writing and representing our numbers to 5! Swimming was a hit! We loved all parts of the Barrhead pool- it is so cool there!

Fall is here and it's been quite chilly-- we have been practicing dressing our classroom frog to know what we should be wearing each day! We will always go outside unless it is raining or the temperature gets to -25 with the wind!

We are looking forward to another exciting month! Bring on November!

GRADE 1/2

MESSAGE FROM MS. SMITH

Time is flying by in grade 1/2 so far this year. We have made great progress at establishing our routines and settling into the school year.

In Language arts, we have been reading a variety of books and focusing on different parts of the story (beginning, middle and end). In Math, we are continuing in our number sense unit and have been working on skip counting by 2, 5 and 10!

HOMEWORK

- I recommend reading for 10 minutes each night with your child!
- Spelling practice- Each student will have a bi-weekly spelling list to practice.

REMINDERS

- Please join our remind class if you have not already
@1-2smith
- As the weather continues to get colder, please ensure your child has lots of **warm clothes** for outside play!

UPCOMING

- Nov 6. - Remembrance Day Assembly
- Nov 7 -12- No School
- Nov 18-22- Book Fair
- Nov 20-21- Parent Teacher Interviews

WHAT WE ARE LEARNING:

LA: We have been working on a spooky Halloween story where the plot, character, setting and conflict were randomly chosen. They have been working on editing and adding descriptive words to their stories.

Math: We are learning about integers and have begun to add and subtract integers as well.

Science: We have started our Forces unit and are learning about the different types of forces, such as internal and external forces.

Social: We are learning about citizenship and The Charter of Rights and Freedoms.

Music: We have continued to work on bucket drumming and can play along to a couple songs.

Art: We created beautiful watercolour pumpkins, silhouette haunted house and School Bus Safety and Remembrance Day posters.

Jr. High News

We have had a very busy October in junior high. All students went swimming twice this month. The students thoroughly enjoyed being able to swim. In Science, all students have completed their first Science unit and wrote their first unit test. We will be starting new units in science for November. In Language Arts, we have been focusing on a short story unit and persuasive writing.

Upcoming Science units:

Grade 7 - Plants

Grade 8 - Fresh Water Systems

Grade 9 - Electricity

Upcoming Social Units:

Grade 7 - French and British in North America

Grade 8 - Italian City States

Grade 9 - Youth Criminal Justice Act

Intervention

In the extra afternoon blocks starting in November all students will be participating in a universal Math Intervention program. Some students will be in small groups working with either the teacher or EA, while others participate in large class review of concepts that are essential for junior high. These blocks will also be for introducing math games that can be used at home as a review as well as mental math fact practice.
